

JIM DOCHERTY

Jim is artist Deb Lafog's husband who is going to come along to do PR photos of the group during the entire trip. This will prove very helpful on social media and in other forms of awareness raising. His photos will be made available to everyone in the group to use.

He hails from Long Island NY and moved to Florida in 1972. He followed his father's culinary pursuits and dabbled in photography. He owed a restaurant/bar where Deb and he met. During the years they have been together he has been helping her by taking promo photos at her events and landscapes on their travels.
